## **NOLA Horror Film Fest Announces Full Schedule of Horror September 26<sup>th</sup>-29<sup>th</sup> at Prytania Theatre**

*A Horror Film Festival Created by Horror Filmmakers for Horror Fans*

(NEW ORLEANS, LA) – In its ninth year, **NOLA Horror Film Fest** is pleased to announce that this year's festival will be held at the historic **Prytania Theatre** in New Orleans on **September 26<sup>th</sup>-29<sup>th</sup>, 2019**. This year's official selections include 64 films and 20 screenplay finalists, chosen from 727 national and international submissions exclusively through FilmFreeway.

The NOLA Horror Film Fest is a festival created by horror filmmakers for horror fans. It's no small wonder - and no great surprise - that so many of today's top directors got their start in "low budget horror". With determination and imagination, these artists have created some truly memorable work that has encouraged and inspired a new generation of filmmakers. Our goal is the promotion of Genre Filmmaking in Louisiana, as well as nationally and internationally. The NOHFF is committed to celebrating the craft and advancing the art form of Genre Films.

On the opening night of festival, we will be screening **The Black String** featuring Frankie Muniz. Golden Globe nominee Frankie Muniz (2002, TV's "Malcolm in the Middle," Best Television Actor Musical/Comedy Series) gives a chilling performance in the thrilling horror film **The Black String**.

Our closing night feature film presentation will be **Every Time I Die**, released by Gravititas Ventures. We've listed some of our other notable features and shorts below, including: **To Your Last Death** (featuring William Shatner, Ray Wise and Bill Moseley), the world premiere of **Cold Feet** and a Louisiana produced short **Samantha**.

Through four days of the best horror & sci-fi programs (Features & Shorts Screenings, Panel Discussion, Special Guests and Midnight Blocks: WTF Shorts & Horror Comedy Shorts) the NOLA Horror Film Fest is going to be a weekend to remember. We have also introduced live music this year, with New Orleans based horror rock **Deadsled Funeral Company** performing opening night and **Dead Music Capital Band** from Austin, TX closing out the fest on Sunday. We encourage filmmakers, casts & crews, friends & family, and horror fans alike to experience New Orleans... from the food, to the music, to the history.

Weekend Passes and Day Passes are now available for purchase online at:  
<https://filmfreeway.com/NOLAHorrorFilmFest/tickets>.

Single Screening Tickets will also be available at the door for \$10.
